

The Professional's Preference

ZAP-O

Citrus Cleaning Composition 100% Concentrated Citrus

ZAP-O is a high performance industrial cleaning formulation consisting of 100% naturally occurring organic degreasers. ZAP-O's unique composition is derived totally from citrus products and it is biodegradable.

ZAP-O is especially effective when it is used to remove old cut-back asphalt mastics.

ZAP-O is applied full-strength for the toughest cleaning and removal projects. It is particularly useful in renovation and rehabilitation projects as well as standard maintenance.

ZAP-O's powerful cleaning action is ideal for getting rid of spots and stains, degreasing hard to clean concrete floors and removing gum.

- **Removes Adhesives, Mastic & Gum**
- **Cleans & Deodorizes**
- **Degreases Concrete Floors**
- **Cleans Equipment & Tools**

ZAP-O is available in either 55-gallon drums or easy-to-use 5-gallon pails with pull up spout.
